THURSDAY MORNING, FEB. 5, 1863

A MAY DAY CELEBRATION: CONTRAST OF TWO DAYS!

The following charming little story from our fair correspondent, Di Vern is the most spirited and glowing description of a Rangerraid and battle, we have read for many a day. We don't mind telling you, reader, that its ar came so near flying as did our valerous Decteriauthor is an accomplished and pretty woman—
lits face was the shade of the flags en the hattle field in the land, beside the military, and it should be exone of the fairest daughters of 'Old Giles'—
of the day before, and he had forgotten be had volumed to issue, a counter proclamation in the land, beside the military, and it should be excare to issue, a counter proclamation of the day before was the shade of the hattle field in the land, beside the military, and it should be excare to issue, a counter proclamation of the day before you, Dr. Olds, were made that proclamation before you, Dr. Olds, were made to issue, a counter proclamation of the day before you, Dr. Olds, were made to issue a counter proclamation before you, Dr. Olds, were made that proclamation before you, Dr. Olds, were made that the interest to interest them. that she wields a facile pen, from whose point flow gracefully, wit, sentiment and poetry.

PULAREI, TRNK., Jan. 25th, 1868. FRIEND HAPPY: You breathe! you live! The last time we heard from you, until we met you! face to face" in the Rebel, you were retrenting from Fishing

What pleasa nt memories does the name of "John Happy" ding into sad hearts strown with old hopes and damp with new tears! We recollect it was a delightful morning in the month of June when first we met; the dogwood was in blessom, and the della were filled with singing birds. We walked beneath

of interesting you, I will en deavor to give you a faint | saw.

brow, how pleasant ly he looked at us with his earns est dark greg eyes. What power-wonderful power ease he thanked us for our warm reception, transferring all our e ulogies to his troops. O, it was a han-.py, never to be forgotten day a day to be marked with a "white stone," as having left only sunbright resollections upon our hearts. But our Morgan had other work to do than listening to merited praises.

The Yankees had had it all their own way, and were at that mement in a distant part-of the town Munchausenizing to our citizens, and wishing, as they strutted to and fr o with their jingling trappings, that they could come up with t herse-thief, Morup, and a wild well bursts upon their startled sensed Citizen clasps his hands-suppressing the glad short that areae to his lips-and cries "Southern cavalry O, the fun! "See how they run" helter skelter, here they go, and there they go like a flock of buzzards scared up from a feast! Our boys are as much in earnest to get them back, as they are to get away, and soon they are being brought back at double quick, their eyes starting out of their heads like lob. sters! Some are dragged out of cellars, some from under beds where they had bid in spite of the inmates of the house, some begged for female attire but it won't do. Morgan is after them!

through the breast, lies at the toll gate his hands pens than mine. Your friend. crossed upon his bosem, his cap laid upon his facethe skirmish has commenced in carnest but soon never was such quantity of dingy white cloth exhibited upon one battle-field! and our boys said the Vankees fell isto their hands wish one garment great fused to associate with it, leaving a line of demarka-tion, thus presenting to our rebel eyes, as they march in double file before us, quite an aspect. Cel. Mor gan's force numbered two hundred and fifty. Three sunting was most imminent, when McClernand expectable were killed, several wounded, and three hundred and thirteen prisoners taken. Col. Morgan had one man slightly wounded the ear, the built been almitted into the Federal Union.

There and here large sales of cotton in New York.

There are here and so into negotiations for comparity and go into negotiations for comparity was most imminent, when McClernand expensive, and go into negotiations for comparity of the comparity was most imminent, when McClernand expensive, and go into negotiations for comparity of the comparity was most in Chancery, at Harrison—

In Chancery horse shot through the shoulder. The prisoners were at 76 1-2 marched into the Court House and kindly eared fer. having the Col. spending the greater part of the night in parolling them, with the exception of Gen Mitchel's for which the Confederates could not get on the railroad. They evacuated Camden, St. Charles, and other points before Gorman could get them.

The Pederal less at Arkeness Post is estimated by the Constitution of the Constit

A dispatch from Major Rhett, commanding Port Sumter, announces that a strange steamer evidently tree clad, here in night about mon, and is new standing of the Harbor. Her cutline can be distinctly Vallandigham, in a late speech in the Yan- seen from the city wharves. There are beside twolve kee Congress, said: "You can never subdue blocksdervall keeping steam up, on the alert. The the seconded States. Two years' fearful expectaged gun best issue P. Smith, is now coming up

from Stone Biver into the harbor. RICHHOND, Feb. 3d.—The Washington Chronicle of the war? If you persist, the whole North the twenty eighth has been received. Among the ar: will go with the South. The day which dimy and diplomatic correspondence just published is wides the North from the South, that selfsame day decrees an eternal divorce between that the motive for the French policy in Mexico is to the West and the East!"

Vicessure, Miss., Feb. 2.—The Mobile Chester to use public opinion by meetings to consider the American war and the emancipation proclamation.
